School of Engineering
Department of Electrical and Computer Engineering

LECTURE

Dr. Habet Madoyan

*Data Science Program Chair, American University of Armenia,
Yerevan, Republic of Armenia*

Spatial Data Visualization with R

The talk on Spatial Data Visualization with R will explore the use of R programming language and associated packages for creating interactive maps and visualizations that incorporate spatial data. The presentation will start by introducing the concept of spatial data and its importance in modern data analysis. We will then discuss the various tools available in R for importing, processing, and visualizing spatial data.

*Tuesday 9 May 2023
Seminar Room (1st floor),
School of Management and Economics Sciences
14:15 - 15:00*
